Students will work earthenware clay and decide on their own projects as they go along. Under the expert guidance of Michele you will learn many techniques required to make your own beautiful ceramic objects.

Students must bring an apron and over time will start a collection of their own pottery tools and paints.

All clay, clear and coloured glazes and firings included, underglazes, speciality glazes etc. not included.

CRAFTERS CEMENT

Work with a wooden and a ceramic heart,
crafters cement and stains to create a
layered and aged looking object

Students must bring along an apron and
1 item to use in this workshop - a bag or shoe
or small pot ...

R220

(10h00-12h00) R100 deposit

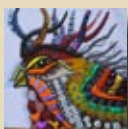

JUNE: Tues 7 /

JULY: Sun 31 /

AUGUST: Fri 26

What is Crafters Cement?

It consists of a mixture of special designed cement powders, bonding agent & primer adhesive. These components create a cement layer. It is easy to work with and does not crack when dry.

Martin Cheek in South Africa - October 2011
Time: October 7, 2011 at 6:30pm to October 9, 2011 at 5:30pm

Location: The SeedPod Studio

Bookings: Mel Miller 083 696 9931 or mel@melmiller.co.za

Art Classes with Kendal Milford

(Bafsa Ed) (A Dip Ed)

Kendal has lots of experience in training formal art to children and adults having run art departments at private school level as well as having taught at tertiary level at both Wits and Vega. Kendal is a fun, yet strict methodologist who cultivates artistry through structured play and an overarching emphasis on "possibility" as a guiding energy in the making of individuated artwork.
